

## The official introduction to Chrysalis

We are pleased to announce that we will be officially opening our Summer Programme, starting from the 16th June until July, during this period of time the participants of this programme will work on skills, which will help them when going into future employment. The skills which the participants will be learning are; Packing & Distribution, Stock control & Admin, Recycling & Upcycling, Health & safety responsibilities, Purchasing & sales and Cleaning & Infection control. We are super excited to see the progress and achievements all of participants!

## Website launch

We at Grow and Achieve Together recently decided that we wanted a new updated website, so we employed a company called Netinspire to do this and worked very closely with them. After months of hard work on Tuesday 18th May we were able to launch our new website.

## Exiting news for Adam

We are pleased to say a huge well done to Adam who has worked with a number of our Job Coaches since October 2020, and in January 2021 he was offered a part-time job at Thermmark. Adam also worked with Job Coaches during his induction period which ended in May, meaning that Adam is now signed off and working independently.

Another piece of exciting news is that on the 10/6/2021 Adam made the ITV news where they spoke about his journey into employment and what he has achieved. Fantastic Adam!

## Another success story

We are pleased to announce another intern supported by a Grow and Achieve Together Job Coach has been offered an official offer of employment, by the company First enable, where she will be an assistant quality checker, and she is looking forward to starting this job in late Summer. Amazing news!

## Projects coming soon

Grow and Achieve Together will soon be managing an allotment growing a range of produce.
