Fun day out to Blackpool

This month some of our PA clients Dan, Reece and Emma decided to take a trip to Blackpool, with Jo & Stacey (Staff). During this trip they went to Madame Tussauds, where they took lots of fun photos with the wax figures. They also decided to go to the Pier, where Reece went on the Dodgems and Dan and Emma enjoyed the sights looking off the Pier. And to finish up the day they all decided to go to the Fish & Chip shop for Tea.

Happy Holidays

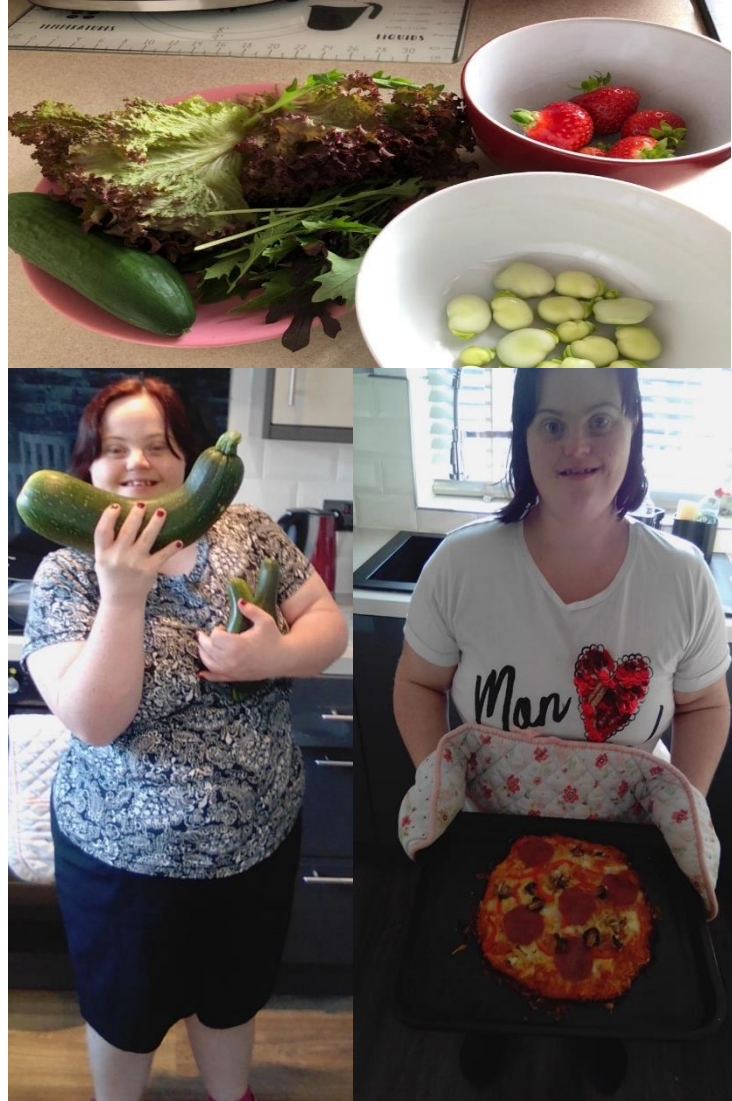

A member from the butterfly's house Jodie decided to take a holiday in Blackpool, with her PA Katie. During this holiday the girls visited Sea Life, where they enjoyed looking at all the different kinds of sea creatures. They also visited the Pier, and had lots of nice meals out together.

Butterflies vegetable garden

When we last saw Samantha's and Jodie's vegetable garden they had just started growing and planting fruit and vegetables, but since then they have grown Courgettes, Lettuce, Cucumber, Garlic and Strawberries. They also decided to make a pepperoni pizza.

Catching up with Ross

In early August myself and Laura went to Repcilf to catch up with Ross who uses a follow on Job coach from Grow And Achieve Together. Whilst talking with Ross he told me that 'everything's just very good, that's all I can say' he is also very happy with the fact that he is now in paid employment. His employer Ivan is also happy with how Ross is getting on at Repcilf.
