April Newsletter

Fantastic news for our interns

We would like to say a big well done to all the interns as they are all making great progress. Many of our interns have now moved onto withdrawal plans in preparation for their future in employment.

Fun days out

This month has been incredibly fun and exciting as we have been on days out to the fun fair in Towyn where they went go karting, along with having a lovely walk around Beeston Castle and went on a mini train whilst enjoying the sites at Rudyard Lake.

Exiting events

The first event we at Grow and Achieve attended was Abbey Hill employers event on 9th March, which aimed to invite employers who would be interested to take on an intern in September on the supported internship programme. We would like to thank Abbey Hill for inviting us to this event, which enabled us to connect with some future employers.

We also attended a Community Health and Wellbeing Fayer on the 29th March where we had fun being able to network with other employers.

Staff Fundraising Project

We would like to say a big well done and thank you to everyone who participated in the Yorkshire 3 Peak challenge, who met at 6:30 am and started the walk at 7:10 am on 23rd April. All the staff pushed themselves to the best of their ability to complete the challenge with some staff completing one peak, some completing two and others completing all three. But overall, we would like to say a big well done and thank you to the staff for participating in this challenge and to everyone who donated.
